2013 CHARITABLE GIVING CAMPAIGN RESULTS

Thank you and your coordinators for demonstrating, once again, that the County of Los Angeles has the true spirit of giving and sharing with our community. The Charitable Giving Campaign (CGC) was established in 1979 and since its inception the County has raised an average of \$1,000,000 per year. This year specifically, the County family raised \$1,031,163. This would not have been possible without you and your coordinators' dedicated efforts.

Attached are the results of the 2013 Charitable Giving Campaign, including funds raised through payroll deduction (\$800,423 – Attachment I) and one-time fundraising events (\$217,501 – Attachment II). In addition, the County raised \$13,239 for the 2013 HomeWalk. With these results, it is evident that our employees are devoted to improving the Los Angeles community. Year after year, our employees continue to give generously to support programs and services for underserved and low income families, our environment, at-risk youth and many other health and human services provided to County residents by our Fund Distribution Agencies.

The departments noted in bold on the attachments represent the "Top Teams" for the 2013 campaign. The Chairman of the Board will recognize these departments and their coordinators at an upcoming Board Meeting. A separate memo has been sent to those departments informing them of the Board Meeting and other details regarding the presentation.

Please convey my sincere appreciation to your coordinators and employees for their support and generosity during the 2013 Charitable Giving Campaign.

If you have any questions regarding this matter, please contact Loreto Maldonado at (213) 974-2495 or lmaldonado@ceo.lacounty.gov or June Tai at (213) 974-1171 or jtai@ceo.lacounty.gov.
